Kemah Palms Recovery - Alcohol & Drug Treatment

Need help with an addiction? At Kemah Palms Recovery - Alcohol & Drug Treatment, we specialize in treating substance abuse, alcohol, and drug addiction. We offer a safe, medically-supervised detox and rehab program to help you achieve total abstinence from drugs or alcohol. Our program is designed to provide the most comprehensive evidence-based treatment available, combined with personal attention from a team of professionals dedicated to your success. At Kemah Palms Recovery, we know that you're looking for an encouraging, supportive environment where your dignity and worth are recognized. Our team of addiction specialists has the experience needed to provide just what is needed to achieve recovery from substance abuse or addiction! Our holistic approach focuses on addressing your mental health needs through evidence-based treatment. Our drug rehab center in Houston has many years of experience treating clients suffering from substance abuse or other addictions. So, do consider us if you want to improve your life.
